

# BEACH CITIES HEALTH DISTRICT MICRO-ENRICHMENT GRANTS OVERVIEW

Beach Cities Health District (BCHD) is among the largest preventive health agencies in the nation, and has served the communities of Hermosa Beach, Manhattan Beach and Redondo Beach since 1955. We offer an extensive range of dynamic health and wellness programs, with innovative services and facilities to promote health and prevent diseases in every lifespan—from pre-natal and children to families and older adults.

#### Mission

To enhance community health through partnerships, programs and services for people who live and work in Hermosa, Manhattan and Redondo Beach.

#### Vision

A healthy beach community.

#### **BCHD 2022-2025 Health Priorities**

Mental Health
Physical and Brain Health
Public Health and Safety
Substance Use

Application will open on Monday, March 28, 2022 and are due no later than noon on Friday, April 29, 2022. Grant award announcements will be made in May 2022. Please submit completed application via email/mail to:

Charlie Velasquez
Executive Assistant to the CEO
1200 Del Amo St.
Redondo Beach, CA 90277
Charlie.Velasquez@bchd.org

BCHD's Micro-Enrichment grants (MEG) provide **small, one-time project-based** health initiatives up to \$5,000 of funding. Micro-Enrichment Grants are intended to support small community projects that may otherwise not be funded by other means. Community organizations and groups, non-profit organizations and individuals are eligible to apply. Micro-Enrichment Grant funding is intended for one-time projects and not intended to be an ongoing source of funding. Projects that have received MEG funding in the past are not eligible to receive funding for the same project. The projects must be completed within one (1) year of being awarded funding, if not, you must ask for an extension. Funds will not be awarded for events/activities held before the announcement of awardees in May 2022.

#### **Application Criteria**

- Individuals or groups requesting MEG must be legal residents of or provide services to residents or employees in the three Beach Cities.
- The project must impact the health of the community within the scope of the BCHD health priorities, mission and strategic goals.
- Funding cannot in any way be related to fundraising activities or sponsorships for charitable events.
- Applicants associated with foundations that are sponsored or controlled by existing District grant recipients are not eligible to apply for additional funding.
- Funding cannot be related to the general operating budget of the applicant organization.
   Funding cannot be replacement funds so that a project's current funding can be shifted to other programs of the applicant.
- Funding cannot be for basic research, defined herein as the pursuit of knowledge without immediate practical program or human application.
- The applicant must complete the MEG application form in its entirety for consideration. Incomplete applications will be returned.
- The applicant must sign an agreement and submit a final summary report at the completion of the project.
- MEG funding is intended for one-time projects and not intended to be an ongoing source of funding. Projects that have received MEG funding in the past are not eligible to receive funding for the same project.

An ad-hoc Grants Committee will review applications through a competitive selection process. There are two application windows each year in March and October. There is \$35,000 available for allocation in Spring 2022 Micro-Enrichment Grant application window.

In accordance with AB 2019, BCHD staff members and Board members are prohibited from scheduling individual meetings with grant applicants to discuss their grant proposal.
