CONTENTS:

3840.4 INSPECTIONS AND SEARCHES ON DISTRICT PREMISES

3840.4.1 The District believes that maintaining a workplace free of illegal drugs, alcohol, weapons, explosives and other harmful or unauthorized materials as determined by the District (collectively, "prohibited materials") is vital to the health and safety of its employees and to the success of the District's business. The District intends to protect against the unauthorized use and removal of District property, including but not limited to District equipment, information, records, documents and files as well as other employees' property (collectively "District property") without consent.

3840.4.2 The District reserves the right to conduct an inspection or search for prohibited materials on District premises, when there is reasonable cause to believe the employee has prohibited materials in their possession, with or without the employee's presence. Searches for prohibited materials and District property may include electronic communications, telephones, voicemail, e-mail, Internet and computer use, an office, desk, work area, file cabinet, closet, computer files, locker, vehicle or similar places where prohibited materials or District property may be stored, whether or not the places are locked or protected by access codes and/or passwords. The District may confiscate such prohibited materials and take any other appropriate action. "Reasonable cause" is defined as those facts that would lead a reasonably prudent person to believe that the employee has prohibited materials or that prohibited materials are in the area to be searched. Employees have no reasonable expectation of

privacy in District-supplied property such as workstations, laptops, phones, desks, lockers, cabinets, etc.

3840.4.3 In cases involving an inspection or search of an employee's pockets, purse, briefcase or other item of personal property that is being worn or carried by the employee, the employee will be requested to conduct a self-search (i.e., by turning out or emptying pockets, purses etc.) in the presence of an observer. Where appropriate, the District may acquire assistance from local law enforcement. Because even a routine search for prohibited materials or District property might result in the exposure of an employee's personal possessions, all employees are encouraged to refrain from bringing into the workplace any item of personal property that they do not wish to show to the District. Employees should be aware that the workplace is any area used to conduct work by the District, including parking areas.

3840.5 SECURITY

3840.5.1 The District is committed to making the work environment as secure as possible for all its employees. All threats and all acts of violence are taken very seriously. Acts of violence, threats of violence, or unsafe or threatening physical conduct against or by any employee of the District or any other person is unacceptable and may be subject to disciplinary action, up to and including termination. Where appropriate, the District will report violent incidents to local law enforcement authorities.

3840.5.1.1 Should a non-employee, on District property or while attending a District-sponsored event, demonstrate acts of violence, threaten violent behavior, or engage in unsafe or threatening physical conduct, they may be subject to criminal prosecution.

3840.5.1.2 Should an employee, during working hours or while representing the District in any capacity, demonstrate or threaten violent behavior, or engage in unsafe or threatening physical conduct, they will be subject to disciplinary action, up to and including termination from employment and criminal prosecution.

3840.5.2 The following actions include, but are not limited to violent acts:

3840.5.2.1 Threats: an expression of intent to cause physical or emotional harm to another person or damage the property of another. A threat may be direct, indirect, conditional or veiled and without regard to whether the party communicating the threat has the ability to carry it out in the present or future.

3840.5.2.2 Overt Physical Intimidation or Aggression: actions that frighten, coerce, or induce duress; actions may also include property damage.

3840.5.2.3 Physical Attack: unwanted physical contact such as hitting, kicking, pushing, shoving, biting, fighting or throwing objects or use of an unauthorized weapon against another person.

3840.5.2.4 Stalking or Unwanted Contact: obsessive and persistent intrusion upon another person(s) or persistent unwanted pursuit (often romantic).

3840.5.2.5 Consistent with District Policy 3830: - Anti-Harassment, any behavior that creates a discriminatory, hostile, intimidating, or abusive working environment will not be tolerated and is grounds for disciplinary action up to and including termination and criminal prosecution.

3840.5.3 All employees are expected to report any incidents to their supervisor promptly so that appropriate action can be taken to remedy the situation.

3840.6 SAFETY

3840.6.1 Employees are expected to comply with all safety rules and regulations in order to maintain a safe work environment. Any unsafe conditions should be reported immediately to a supervisor or Human Resources. Safety is of prime concern in the District's day-to-day operations. Employees are expected to conduct themselves in a safe manner and observe any and all safety rules posted or communicated.

3840.6.2 Any workplace accident must be reported to Human Resources immediately. All on-the-job injuries, regardless of severity, must be reported to Human Resources within 24 hours of the illness/injury. In addition, all employees are encouraged to report immediately, any unsafe or hazardous condition(s) to Human Resources or supervisor.

3840.7 PERSONAL PROPERTY AND ASSIGNED WORK AREA

3840.7.1 It is up to each employee to assist the District in maintaining a clean and safe workplace and to keep his or her work area neat and clean as well as free of any safety hazards (e.g., extension cords, office space heaters, boxes, open file cabinets, etc.). Common areas such as lunchrooms, pantry, restrooms etc. should be kept clean by those using them. Employees must clean up after meals and dispose of any trash properly.

3840.7.2 The District will not assume any responsibility for personal property brought by employees to its premises. Therefore, all employees are encouraged to take adequate precautions and exercise their best judgment before bringing personal property to the District's premises. The District does not provide any reimbursement for theft or damage of personal items or money stolen either in the workplace, in the parking lot or any other District-owned area.

3840.8 DISTRICT MONITORING

3840.8.1 The District reserves the right to install security cameras in work areas for specific business reasons, such as security, theft protection or protection of proprietary information. The District may find it necessary to monitor work areas with security cameras when there is a safety, specific job- or business-related reason to do so. It will do so only after first ensuring that such action is in compliance with state and federal laws.

3840.8.2 Employees should not have any expectation of privacy in work-related areas. Employee privacy in non-work areas will be respected to the extent possible. The District's reasonable suspicion

of onsite drug use, physical abuse, theft or similar circumstances would be possible exceptions. Legal advice will be sought in advance in such rare cases where non-work-area privacy must be compromised.

3480.8.3 The District will post appropriate signs and notice of video surveillance in areas subject to video monitoring.

3840.9 NO SMOKING

The District maintains a smoke free environment to all District-managed facilities and campuses in order to reduce others' exposure to secondhand smoke. Therefore, in the best interest of the health and safety of employees and the general public, the smoking of tobacco products, including but not limited to cigarettes, cigars, hookah, e-cigarettes, chewing tobacco, snuff, snus, and IQOS, is prohibited completely within District buildings, on District property, or in District vehicles.

3840.10 ALCOHOL AND DRUG POLICY

Employees are required to report to work and conduct their work in an appropriate mental and physical condition in order to perform their job in a safe and satisfactory manner. A District employee is responsible for attending work free from the influence of illegal drugs or alcohol and in a condition to perform their duties. In addition, an employee must not use, possess, store, manufacture, distribute or sell alcohol, controlled substances and illegal drugs on District premises, in District vehicles, using District telecommunications equipment, in conjunction with District business or at District events (see District Policy 3825: Alcohol and Drug Abuse).

3840.11 REPORTING AN INCIDENT

Any employee who is the victim of any conduct prohibited by this policy, any witness to such conduct, or anyone receiving a report of such conduct, whether the perpetrator is a District employee or a non-employee, shall immediately report the incident to their supervisor or other appropriate person (e.g. manager, department head, Human Resources).

3840.12 Any employee, acting in good faith that initiates a complaint or reports an incident under this policy will not be subject to retaliation or harassment.
