REDONDO BEACH, Calif. (December 19, 2024) – Government Finance Officers Association of the United States and Canada (GFOA) has awarded Beach Cities Health District (BCHD) with its Distinguished Budget Presentation Award for the current fiscal period (July 1, 2024 – June 30, 2025).

This is the sixth consecutive year GFOA awarded BCHD its Distinguished Budget Presentation Award for its budget document.

“Our Finance team consistently provides this budget information for our community and their work is very thorough and demonstrates our commitment to transparency,” said Tom Bakaly, CEO for BCHD. “That we have received this award six straight years is a reflection of their high level of professionalism and validates their hard work on behalf of BCHD and the communities we serve.”

In September, for the fifth straight year, GFOA presented a Certificate of Achievement for Excellence in Financial Reporting to BCHD for its annual Comprehensive Financial Report for the fiscal year ending June 30, 2023.

“This award represents a significant achievement by Beach Cities Health District,” said Michele Mark Levine, Director, Technical Services for GFOA. “The GFOA established its awards program in 1945 to encourage and assist state and local governments to go beyond the minimum requirements of generally accepted accounting principles and prepare comprehensive annual financial and budget reports demonstrating transparency and full disclosure.”

BCHD's budgetary practices are available to the public online and the budget is reviewed by the District's resident advisory Finance Committee and discussed at public Board meetings. An annual report with an overview is also posted online for Beach Cities residents each year.
