

**Request for Proposals**  
**Project #2026.2-CHF**  
**Center for Health & Fitness – Furniture**

**Questions & Answers**

- 1. Do you have an image or description of the “solid wood bench” that is asked for in the lobby and front desk option? Will it be used for seating or brochure display?**

The bench is meant for seating. Below are images of wood benches that will be acceptable.

- 2. Will finish samples for fabrics and solid surfaces be due with the bid?**

Only written specifications of proposed finishes and fabrics should be included in the bid. Actual samples are not required in the proposal.

**3. Is there a electronic CAD plan of the space?**

CAD file is not available at this time. Use provided DPF plan for dimension approximation.

**4. Will the staff lockers be keyless or keyed?**

They should be keyed.

**5. Should the office storage lock? And if locked, keyed per seat?**

They should be locked and keyed per seat.

**6. Is there mobile storage under the front desk?**

Reception Desk storage is millwork, not furniture.

**7. If there is a quantity discrepancy, should we follow the floorplan?**

Follow the plans
