CLASS DESCRIPTIONS

GENTLE/RESTORATIVE YOGA: This class will focus on bringing mind, body, and spirit into balance by unwinding tension, fatigue, and anxiety while enhancing flexibility, mobility, and resilience to stress. Gentle Yoga Postures coordinated with mindful breathing deepens awareness and moves at a pace that allows time to be present in each pose. Restorative Yoga Postures will use Yoga props to support the body in reclining positions that open and relax the body, which allows the breath to expand more freely. This is the perfect Yoga Practice to relax, renew, and reset your body, mind, and spirit! Please bring your own towel.

MAT PILATES: Learn the basics of Pilates movement and structure.

PILATES SCULPT: Invigorate your mind, strengthen your core and condition your body, using Pilates principles. You'll use a combination of Pilates core and posture work, and powerhouse strengthening work to leave you feeling toned, strong and supple.

SUNSET FLOW: Flow smoothly through a series of invigorating Vinyasa sequences designed to recharge your batteries as day turns into night and the sun makes room for the moon. The class includes instruction on all the basics of hatha yoga postures, sun salutations, standing poses, inversions, hip openers, backbends, forward bends & twists, in addition to meditation and breath work. Hone body awareness, stimulate the nervous system, and strengthen the heart and lungs while calming the mind and steadying the emotions in this holistic class. Modifications and variations are offered throughout to accommodate students of all levels.

REFORMER ALL LEVELS: A beginner to intermediate class offering new challenges to students who have experienced the fundamental exercises and have a sound understanding of the principles of Pilates. This is a flowing Pilates reformer class that will challenge strength, stabilization and flexibility.

YOGA BASICS: Designed with the newer yogi in mind, this class provides instruction on the fundamentals of yoga, including hatha yoga postures, sun salutations, standing poses, inversions, hip openers, backbends, forward bends & twists, in addition to meditation and breath work. The goal of this class is to help students perfect their practice without the pressure to "keep up" to a certain pace. New practitioners will develop body awareness to facilitate correct postural alignment through the Asana (poses), and they will learn how to connect breath with movements for a deeper spiritual involvement.

SUNRISE YOGA: Start as you mean to go on by energizing your whole self in this mindful morning yoga class. Move gently through Asana (poses) designed to awaken your mind and stimulate your body. Practiced regularly, you will soon feel the physical and spiritual benefits of becoming stronger and more focused in your daily tasks. No caffeine needed for this class.

RESTORATIVE FLOW: Combine the best of Restorative Yoga, using props and other aids with the warm, rejuvenating pace of a flow class. This gently flowing practice will help relax and restore your body and mind, and will help to melt away your aches and pains. This class is suited to all abilities because poses (asana) may be modified as needed with caring, individualized attention from your instructor.

RESTORATIVE REFORMER: Learn the fundamentals of Pilates Reformer in this class, designed for those newer to Reformer or recovering from injury or illness. Lengthen, strengthen and balance your muscles while learning how to stabilize your joints and increase your functional range of motion. You will also appreciate the restorative benefits of connecting breath with motion in this fun, revitalizing class. Suitable for all levels.

FUNDAMENTAL MAT PILATES: This class takes us back to the basics of mat focusing on alignment and core stability through slower paced movement variations.

REFORMER BONE BUILDING: This reformer class combines cardio and core strength exercises designed to increase bone density, endurance and joint stability. It is self paced so begin at your level and let's have fun getting stronger.

INTRO TO PILATES REFORMER: This intro to Reformer class is designed to teach and reinforce the fundamentals and beginning movements. Recommended for those who have never taken Pilates, less experienced Pilates participants or those recovering from injury.

INTERMEDIATE REFORMER: This Intermediate class is for those who wish to go deeper into the nuances of reformer exercise and explore different movements patterns for strength and length. No two classes are alike. Props used: balls, rings, jump board. Previous Pilates experience recommended.

FUNCTIONAL MAT PILATES: This versatile class focuses on perfecting form and postural alignment and correcting muscular imbalances. You'll use a variety of props, and work at a range of paces with diverse choreography from week to week, so you'll never have the same class twice and will constantly be challenged to develop your fitness in innovative ways. Regularly attending this class will help lay a solid foundation to your exercise routine and improve your daily physical functionality.

CHAIR YOGA: Chair yoga is a gentle form of yoga that can be done sitting on a chair or standing with the support of the chair. In this class, we will work on balance, strength, and flexibility. This class is suitable for all ages, fitness levels and physical conditions and especially beneficial for people with limited mobility or injuries..
