

Spread CHEER This Year

DONATE TO THE 26TH ANNUAL HOLIDAY GIFT BAG PROJECT

The holidays can be a difficult and lonely time for isolated older adults and adults with disabilities in our community. However, each holiday season since 1998, friendly volunteers have delivered gift bags filled with practical and fun gifts like grocery gift cards, stamps, sudoku puzzles, batteries and more to 250 beach cities seniors and adults with disabilities in the Beach Cities Health District Care Management program.

"This is one senior here who really appreciates all that you do for seniors. Your organization goes the extra mile" -Nathan C., Client
