

Row Planting Guide

Approximate row spacing

ROW 1:

All Grades: **PEAS** – plant approximately 2” from the edge of the box on either the north or east side

**Peas grow tall and need to be “behind” the other plants so they don’t block the sun. Both rows of peas should be planted next to each other, NOT alternating with other plants.*

ROW 2:

All Grades: **PEAS** – plant approximately 2” from the edge of the box on either the north or east side

**Peas grow tall and need to be “behind” the other plants so they don’t block the sun. Both rows of peas should be planted next to each other, NOT alternating with other plants.*

ROW 3:

K & 1st Grade: **BEETS** – plant at least 6” from Row 2

2nd & 3rd Grade: **BROCCOLI** – plant at least 6” from Row 2

4th & 5th Grade: **CARROTS** – plant at least 6” from Row 2
